

My name is Eloisa Palacios Valle, I have eighteen years , born on July 6, 1997, in Zihuatanejo, Guerrero., I live in the colony Lazaro Cardenas with my grandparents Eloisa and Savior, my mom Marina, my two brothers Samuel, 10 and Isaac 3. My grandmother is a housewife and my grandfather is a farmer, my mother is a typist, my brother Samuel is studying fourth grade; I am the daughter of divorced parents, and co live little with my dad, Hector Manuel.

I Studied in kindergarten Juan Enrique Pestalozzi at the age of four years and concluded at six. I then entered primary spending 6 years at Miguel Hidalgo y Costilla. At age of twelve I entered the secondary school Eva Samano Lopez Mateos then at fifteen I entered high school at Conalep and just finished my studies. All of my education has been here in Zihuatanejo but now I'll enter the Institute of Technology Morelia to study Industrial Engineering. I have an average of 9.6.

I have five years in Niños Adelante , starting at the age of thirteen, when I was in grade eight. My goal in life is happiness, to achieve happiness is needed to fulfill all the dreams that you want, and my biggest dreams are to finish my studies at a superior satisfactory level, to have an important place in society, to help others, and to help my mother with expenses of my brothers, of the house so they can finish their studies.
